

# Forever Learn

## Belong

to an openhearted 'ohana of teachers and learners.

## Embrace

a diverse range of student voices and empower them to be heard.

## Immerse

yourself in meaningful connections, local values, and a broad worldview.

## Foster

a collaborative spirit through a rich mosaic of educational opportunities.

Become part of our amazing community and 'ohana, while it becomes part of you.

With us, teaching and learning is all around. It never stops. Students learn from teachers, teachers from students, people from place. Together, we all learn from nature and beauty and the power of Hawaiian values. From the inside out, we move ahead with hearts open, minds ready, and voices we will make heard.

*This is what's possible... when we forever learn.*

# Hawai'i

The largest of the islands, Hawai'i is also known as "The Big Island" and is home to some of the most wondrous natural environments and resources in the world. From the black sands of Punalu'u Beach, to awe-inspiring volcanoes, to the lush forests of Hilo and the snow-capped peaks of Mauna Kea, Hawai'i offers daily opportunities to explore, enjoy the natural world, and create lifelong memories.

## The Hawai'i 'Ohana.

The Hawai'i district is comprised of nine complexes – Hilo, Waiākea, Honoka'a, Kealahke, Kohala, Konawaena, Ka'u, Kea'au, and Pāhoa. Each Hawai'i district complex includes one high school, which is fed by a variety of middle and elementary schools.

- Teachers: **1,553**
- Students: **23,091**
